Bellissima Veneto

Set in the northeastern part of the country, the Italian region of Veneto extends from the Dolomites to the Adriatic Sea. Set with mountains and lakes, most famously perhaps is the Venetian lagoon and its unique city, Venice.

Veneta Villas

Just like its Italian counterpart, this exclusive collection of villas is set in the northeastern part of the DAMAC Hills community in an unrivalled setting – completely surrounded by the immaculate fairways of the Trump International Golf Club Dubai.

A small private community

A series of tranquil lakes runs along one side of the villas whilst the desert landscaping and gentle undulations of the golf course embrace the rest of the little residential enclave.

Impeccable architecture

Veneto Villas and townhouses are designed with precise lines and earthy textures; with multiple balconies and vast expanses of glass that allow in natural light to maximise the serene views.

Exceptional interiors

Interiors are bright, spacious and an airy blank canvas ready for your personal touch. Rooms are large and layouts carefully planned to create a relaxed, open plan ambience, with plenty of lounge space across multiple levels.

Inspired living at DAMAC Hills

DAMAC Hills is a well-established international golf community where opulent lifestyles, world-class retail and leisure spaces, along with spectacular outdoor living, spring to life across 42 million square feet of luxury.

Trump, Radisson Hotel Group and Paramount Hotels & Resorts are just few of the world-renowned names who bring their globally coveted vision of the highest standards in luxury living.

A true community

Along with the golf course and its iconic clubhouse, DAMAC Hills is home to over four million square feet of private parkland with various themed areas, including restful gardens, sports areas, a 21,500-square-foot skate park and stables.

Life's essentials

The wellbeing of you and your loved ones is top priority and you'll discover a complete family care facility, along with a highly reputed nursery and secondary school, within the community. Plus there are now two supermarkets for all of your essential needs.

Dream location

Just a short journey from the centre of the city, and yet feels like a world away, DAMAC Hills is nestled within the city's flourishing and most sought-after expanses of Dubailand. Its strategic location allows easy access to the main network system that puts the city within a few minutes of your reach.
